Sub-recipient selection file

Community case management of malaria, pneumonia and diarrhoea: Mbalame and Chitsanzo districts

Grant	MWI-C-CHP-2026 (malaria component), implementation period 1 July 2026 to 30 June 2029
Principal Recipient	Chikondi Health Partnership (CHP)
File reference	CHP/SR/2026/01
Recommended sub-recipient	Mbalame Community Health Network (MCHN)
SR budget ceiling (as memo)	US$ 1,248,600 over three years
File owner	Esther Zeleketu, SR Management Officer
Status of file	For management clearance

INTERNAL MEMORANDUM

To	Executive Director, CHP
From	Esther Zeleketu, SR Management Officer
Copy	Finance Director; Head of Programmes; Compliance Officer
Date	6 April 2026
Subject	Recommendation to engage MCHN as sub-recipient for community case management

This memorandum presents the outcome of the selection process for the sub-recipient that will implement community case management (CCM) in Mbalame and Chitsanzo districts under the malaria component of the grant. The selection committee met on 17 and 18 March 2026 and scored seven applications.

The committee recommends Mbalame Community Health Network as the highest-ranked applicant, with a proposed budget ceiling of US$ 1,248,600 over the three-year implementation period. The budget, the evaluation report and the integrity due diligence record are annexed.

Management is requested to clear the recommendation so that the sub-recipient agreement can be finalised and shared with the Local Fund Agent before the start of the implementation period.

Name	Title / role	Signature	Date
Esther Zeleketu	SR Management Officer (prepared)	_____	6 April 2026
Ines Belmonte-Ari	Head of Programmes (reviewed)	_____	7 April 2026
Anil Abubakarri	Executive Director (cleared)	_____

1. Background and scope

The malaria component of the grant finances community case management in two districts where facility coverage is lowest. Community health volunteers treat uncomplicated malaria, pneumonia and diarrhoea in children under five and refer severe cases. The sub-recipient will recruit, train, supply and supervise 640 volunteers across 38 health facility catchment areas.

This file documents the selection of the sub-recipient. It covers the call for expressions of interest, the evaluation, the integrity due diligence on the recommended organisation and the draft agreement. It does not cover procurement of health products, which is handled centrally by the PR through the pooled procurement mechanism.

Price and quality reporting for health products is completed within the required time after each purchase. Reference prices are compared with the pooled procurement mechanism benchmarks where available.

The Country Coordinating Mechanism is informed of major implementation developments through its oversight committee. Oversight visits are coordinated with the Principal Recipient to avoid duplication with routine monitoring.

Pharmaceutical and health product quality assurance follows the applicable quality assurance policy. Certificates of analysis and batch release documents are retained with the receipt documentation for each consignment.

1.1 Geographic scope

District	Catchment areas	Volunteers	Children under five (est.)	Hard-to-reach villages
Mbalame	21	352	48,900	64
Chitsanzo	17	288	39,300	51
Total	38	640	88,200	115

1.2 Indicators

Indicator	Baseline	Target	Means of verification
Proportion of fever cases in children under five tested with RDT (%)	55%	77%	CCM registers
Number of pneumonia cases treated by volunteers	570	931	HMIS community module
Proportion of volunteers supervised quarterly (%)	30%	53%	Supervision checklists
Proportion of villages reporting no stock-out of ACTs (%)	5%	29%	Monthly stock reports
Number of severe cases referred and completed referral	666	918	Referral slips

2. PR policy framework for sub-recipient management

The CHP grant management manual (version 4, approved by the board in November 2025) governs the selection, contracting and oversight of sub-recipients. The relevant provisions are summarised below for convenience; the manual prevails in case of any difference.

Section 5.2 of the manual provides that a capacity assessment of every proposed sub-recipient, covering governance, financial management, programme management and procurement, must be completed and filed before the sub-recipient agreement is signed. Section 5.3 provides that the results of the assessment determine the level of oversight and the frequency of disbursements.

Section 5.4 sets out that sub-recipients are selected through an open and transparent process unless the Country Team has agreed that a government entity or a named organisation implements a module. Selection committees consist of at least five members, including one member from outside the programme unit.

The partner shall maintain a fixed asset register for equipment purchased with programme funds. Items above the capitalisation threshold are tagged and verified annually. Disposal or transfer of assets at the end of the programme requires written agreement.

The Local Fund Agent may review any document in this file as part of its verification role. Requests from the Local Fund Agent are logged and answered within the time frame set by the Country Team. Copies of responses are kept in the correspondence section.

Complaints and feedback from affected communities are received through a hotline, suggestion boxes and community focal points. The partner reports monthly on the number and category of complaints and on the time taken to respond. Sensitive complaints are referred through a confidential channel.

The grant is implemented under the Grant Regulations and the grant confirmation signed with the Global Fund. Terms defined in the grant confirmation have the same meaning in this file. In case of inconsistency, the grant confirmation prevails over internal guidance notes.

3. Call for expressions of interest

Selection was competitive: an open call for expressions of interest was issued to civil society organisations registered in Malawi, and seven applications were received by the closing date.

The call was published on 12 January 2026 in two national newspapers and on the CHP website, with a closing date of 9 February 2026.

An information session for applicants was held on 22 January 2026 at the CHP offices and by video link; 19 organisations attended. Questions received in writing were answered in a clarification note circulated to all registered applicants on 29 January 2026.

#	Applicant (synthetic)	Registration	Districts proposed	Received
1	Mbalame Community Health Network	NGO Board No. 0412	Both	8 Feb 2026
2	Tiyamike Health Trust	NGO Board No. 0977	Chitsanzo	9 Feb 2026
3	Kasungwe Rural Development Agency	NGO Board No. 1203	Both	9 Feb 2026
4	Lusubilo Volunteers Forum	NGO Board No. 0655	Mbalame	6 Feb 2026
5	Mphatso Community Care	NGO Board No. 1341	Both	9 Feb 2026
6	Ubwino Health Link	NGO Board No. 0819	Both	7 Feb 2026
7	Chisomo Outreach Services	NGO Board No. 1150	Chitsanzo	9 Feb 2026 (late, 16:40)

The late application (No. 7) was received forty minutes after the closing time and was returned unopened, as recorded in the opening minutes.

The call text, the register of applications, the opening minutes and the full evaluation report are filed at Annex C of this file.

4. Evaluation of applications

Applications were evaluated in two stages. The first stage checked administrative compliance: registration, audited accounts for the last two years, and a signed application form. Six applications passed. The second stage scored the technical and financial proposals against the published criteria.

Criterion	Weight	A1	A2	A3	A4	A5	A6
Relevant experience in CCM or iCCM	25	22	16	21	13	16	17
Presence in the districts	15	13	10	12	9	10	9
Technical approach and supervision model	20	19	12	16	10	14	14
Financial management systems	15	15	8	12	8	11	10
Staffing and key personnel	10	10	6	8	6	7	7
Value for money of budget	15	14	10	11	9	10	11
Total	100	93	62	80	55	68	68

A1 = Mbalame Community Health Network. Scores are the consensus scores agreed at the committee meeting of 18 March 2026; individual score sheets are kept in the procurement registry.

The selection committee of five members evaluated the six compliant applications on 17 and 18 March 2026 and ranked MCHN first with a consensus score of 93 out of 100.

The committee recommends MCHN because it obtained the highest score and is the only applicant with an existing volunteer network in all 38 catchment areas, which reduces start-up time by an estimated four months.

On the evidence of its last two audited statements and its current iCCM portfolio, the committee is satisfied that MCHN has the ability to implement the module at the proposed scale.

4.1 Committee composition and declarations

Member	Function	Declaration signed
Selam Duvaliere	Head of Programmes (chair)	Yes, 17 March 2026
Marta Oyelakin-Ross	Malaria Programme Officer	Yes, 17 March 2026
Lerato Kalunduwa	Finance Manager	Yes, 17 March 2026
Esther Mahlanza	District Health Office representative (external)	No
Felix Balogandi	M&E Specialist	Yes, 17 March 2026

The external member from the District Health Office did not sign the conflict-of-interest declaration, and the file does not record why the declaration was not obtained.

Financial and narrative reports shall be submitted in English. Where supporting documents are in a national language, a short summary in English is attached. Currency conversions use the UN operational rate of exchange in force on the date of the transaction.

Personal data collected in the course of this engagement is processed only for the purposes stated in the agreement. Beneficiary-level data is not transferred to the file; aggregated figures are used for reporting. Any data-sharing arrangement with a third party requires a separate written protocol.

5. Budget and funding

The proposed budget was reviewed against the approved grant budget and the unit cost guidelines. The committee requested two adjustments: volunteer refresher training was reduced from three to two days, and the number of supervision motorcycles was reduced from 12 to 9. The adjusted budget is summarised below; detailed costing is at Annex E.

Code	Budget line	Unit	Qty	Unit cost	Total (US$)
1.01	Volunteer initial training	volunteer	609	47	28,623
1.02	Refresher training (2 days)	volunteer	621	26	16,146
1.03	Monthly volunteer incentive	vol-month	2034	8	16,272
1.04	Supervision allowances	visit	1180	22	25,960
1.05	Motorcycles for supervisors	unit	9	4,374	39,366
1.06	Motorcycle fuel and maintenance	month	36	399	14,364
2.01	Drug boxes and job aids	set	648	35	22,680
2.02	Data tools and registers	set	705	11	7,755
2.03	Programme coordinator (salary)	month	36	1,628	58,608
2.04	District officers (2)	month	36	1,809	65,124
2.05	Finance officer	month	36	957	34,452
2.06	Office running costs	month	36	825	29,700
3.01	Review meetings	meeting	12	1,687	20,244
3.02	Audit fees	year	3	5,049	15,147
	Subtotal, lines shown				394,441

Summary of the main cost lines only. Support costs, contingency and lines below the reporting threshold are carried in the detailed costing and are not shown here.

The totals above exclude indirect costs, which are capped at seven percent of direct costs under the grant confirmation.

6. Integrity due diligence on the recommended sub-recipient

Integrity due diligence is performed on every proposed sub-recipient before signature, in line with the Restrictive Measures and due diligence requirements that apply to Global Fund grants. The record is summarised below; printouts are at Annex D.

Subject screened	Mbalame Community Health Network (MCHN), NGO Board registration No. 0412
Subject type	Organisation (registered non-governmental organisation)
Role in the grant	Proposed sub-recipient for the CCM module
Screen performed by	CHP Compliance Officer
Record reference	Screening record CHP-IDD-2026-014 with list printouts

The screen was run in-house by the CHP Compliance Officer using the compliance screening workbook maintained by the PR.

Lists covered: the UN Security Council consolidated list, the OFAC Specially Designated Nationals list, US State Department designations, the Swiss SECO sanctions list, and the World Bank and Global Fund debarment and ineligibility lists.

The screen was completed on 24 March 2026 and reviewed by the Head of Programmes on 25 March 2026.

Result: no match was found on any of the lists screened, and the subject is recorded as clear.

Board members and key staff of MCHN were not screened individually at this stage; the record covers the organisation only.

Because the result was clear, no disposition decision was taken or recorded.

7. Risk assessment

Risk	Rating	Mitigation
Currency depreciation reduces purchasing power of local costs	Medium	Quarterly budget review; contingency line
Data loss from field devices	Low	Encrypted devices; weekly synchronisation
Fuel shortages affecting field monitoring	Low	Fuel reserve; consolidated trips
Price increases for locally sourced items	Medium	Market survey before each order
Heat damage to stored goods	Medium	Ventilated stores; temperature logs
Community tensions around targeting	Medium	Transparent criteria; community committees
Staff turnover in partner finance unit	Medium	Handover checklist; refresher training
Road access to northern districts cut during rains	High	Pre-positioning before rainy season
Stock-outs at district level due to late reporting	Medium	Monthly stock reporting reminders

Lessons from the previous cycle were considered in preparing this file, in particular the need for earlier engagement with district authorities and for clearer delivery schedules. These lessons are reflected in the timeline in the implementation plan.

Environmental considerations are addressed in the implementation plan. Packaging waste from distributions is collected and disposed of through licensed operators where available. Vehicle use is logged and consolidated trips are encouraged to reduce fuel consumption.

8. Next steps

The sub-recipient agreement has not yet been signed; the unsigned draft at Annex F is submitted for clearance together with this memorandum.

Subject to clearance, the draft will be shared with the Local Fund Agent and the Country Team for information, and the agreement will be signed before 30 June 2026 so that activities can start on 1 July 2026.

Annex A — Terms of reference for the CCM sub-recipient

The sub-recipient will implement the community case management module in the two districts in close cooperation with the District Health Management Teams. The main tasks are listed below.

#	Activity	Q1	Q2	Q3	Q4	Responsible
1	Recruit and register volunteers with district councils	x	x	x		Field coordinator
2	Initial five-day training of volunteers	x	x	x		M&E officer
3	Monthly resupply of drug boxes from health facilities	x	x		x	Programme lead
4	Supportive supervision visits	x	x			Field coordinator
5	Quarterly data review meetings	x		x	x	Finance officer
6	Refresher training	x			x	Supply officer
7	Community sensitisation on danger signs	x			x	Finance officer
8	Referral follow-up for severe cases			x		Field coordinator
9	Monthly reporting into the community HMIS module	x	x	x		Finance officer
10	Annual district review		x	x	x	Field coordinator

Any amendment to the agreement shall be made in writing and signed by the authorised representatives of both parties. Budget reallocations within a category of up to ten percent may be agreed by exchange of letters; larger changes require a formal amendment.

Taxes and duties are not charged to the grant. Where tax exemption cannot be obtained at source, the amounts are recorded and reported so that they can be recovered or treated as the grant confirmation provides.

Visibility and communication materials shall carry the logos agreed in the communication plan. Draft materials are shared with the communications focal point at least ten working days before printing. The partner shall not use the logo in any fundraising material without prior written consent.

Personal data collected in the course of this engagement is processed only for the purposes stated in the agreement. Beneficiary-level data is not transferred to the file; aggregated figures are used for reporting. Any data-sharing arrangement with a third party requires a separate written protocol.

Annex B — Published call for expressions of interest (text)

CHIKONDI HEALTH PARTNERSHIP invites registered civil society organisations to express interest in implementing community case management of malaria, pneumonia and diarrhoea in Mbalame and Chitsanzo districts under a Global Fund grant for the period July 2026 to June 2029.

Eligible organisations must be registered with the NGO Board of Malawi, have audited accounts for 2023 and 2024, and have at least three years of experience in community health. Consortia are permitted if a lead organisation is named. Applications must reach the PR offices by 12:00 on 9 February 2026.

Evaluation criteria and weights: relevant experience 25; presence in the districts 15; technical approach 20; financial management systems 15; staffing 10; value for money 15. The PR reserves the right to verify any information provided.

Security risk management follows the measures approved for the area of operations. Field movements are notified to the security focal point in advance. Activities in locations above the agreed security level are suspended until clearance is renewed.

Visibility and communication materials shall carry the logos agreed in the communication plan. Draft materials are shared with the communications focal point at least ten working days before printing. The partner shall not use the logo in any fundraising material without prior written consent.

Personal data collected in the course of this engagement is processed only for the purposes stated in the agreement. Beneficiary-level data is not transferred to the file; aggregated figures are used for reporting. Any data-sharing arrangement with a third party requires a separate written protocol.

Annex C — Evaluation report and opening minutes (extract)

Opening of applications took place on 9 February 2026 at 14:00 in the presence of three committee members and two applicant representatives. Six applications were opened and recorded; one late application was returned unopened.

Applicant	Admin. compliance	Audited accounts	Signed form	Proceeds to stage 2
A1	Yes	Yes	Yes	Yes
A2	Yes	Yes	Yes	Yes
A3	Yes	Yes	Yes	Yes
A5	Yes	Yes	Yes	Yes
A6	Yes	Yes	Yes	Yes
A4	Yes	2024 only	Yes	Yes (accepted with note)

Programme monitoring combines routine data review, field visits and spot checks. Monitoring visits are planned on a quarterly calendar and reports are filed within two weeks of each visit. Follow-up actions are assigned an owner and a due date.

This file has been compiled for internal review. Page references in the index refer to the consolidated PDF. Where a document appears in more than one version, the latest signed version is filed and earlier versions are listed in the correspondence log.

The partner shall maintain a fixed asset register for equipment purchased with programme funds. Items above the capitalisation threshold are tagged and verified annually. Disposal or transfer of assets at the end of the programme requires written agreement.

Annex D — Integrity due diligence printouts (summary sheet)

List	Search term	Hits	Reviewed by
UN consolidated list	Mbalame Community Health	0	Compliance Officer
OFAC SDN	Mbalame Community Health	0	Compliance Officer
US State designations	Mbalame Community Health	0	Compliance Officer
SECO	Mbalame Community Health	0	Compliance Officer
World Bank debarred firms	Mbalame Community Health	0	Compliance Officer
Global Fund ineligibility	Mbalame Community Health	0	Compliance Officer

Annex E — Detailed budget and correction note

The detailed costing sheets submitted by MCHN were reconciled line by line with the adjusted summary in section 5. Minor rounding differences have been removed.

Code	Budget line	Unit	Qty	Unit cost	Total (US$)
1.01	Year 1 training costs	lot	1	44,810	44,810
1.02	Year 2 training costs	lot	1	26,834	26,834
1.03	Year 3 training costs	lot	1	20,172	20,172
1.04	Incentives year 1	lot	1	83,907	83,907
1.05	Incentives year 2	lot	1	83,551	83,551
1.06	Incentives year 3	lot	1	83,806	83,806
2.01	Supervision (3 years)	lot	1	161,339	161,339
2.02	Human resources (3 years)	lot	1	291,273	291,273
	Subtotal, lines shown				795,692

Summary of the main cost lines only. Support costs, contingency and lines below the reporting threshold are carried in the detailed costing and are not shown here.

Correction: the ceiling of US$ 1,248,600 shown in the cover memorandum is a transposition error, and the agreed SR budget ceiling is US$ 1,284,600.

Annex F — Draft sub-recipient agreement (unsigned)

DRAFT FOR CLEARANCE — NOT SIGNED. Sub-recipient agreement between Chikondi Health Partnership and Mbalame Community Health Network for the implementation of community case management under grant MWI-C-CHP-2026.

Article 1 — Purpose. The Recipient shall ensure that its personnel comply with applicable national law and with the standards of conduct set out in the particulars.

Article 2 — Focal points. The Recipient shall not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of the other Party.

Article 3 — Notices. Neither Party shall be liable for failure to perform its obligations where such failure results from force majeure, provided that the affected Party notifies the other promptly and takes reasonable steps to mitigate.

Article 4 — Force majeure. Intellectual property in reports and materials produced under this Agreement shall vest as set out in the particulars. Each Party may use such materials for non-commercial purposes with appropriate attribution.

Article 5 — Termination. Notices under this Agreement shall be in writing and delivered by hand, courier or electronic mail to the addresses stated in the particulars. A notice is effective on receipt.

Article 6 — Settlement of disputes. The Parties agree that the activities shall be carried out in accordance with the approved implementation plan and budget attached to this Agreement, which form an integral part of it.

Article 7 — Records. Each Party shall designate a focal point responsible for communication under this Agreement. Changes of focal point shall be notified in writing within ten working days.

Article 8 — Intellectual property. This Agreement may be terminated by either Party on thirty days written notice. On termination, unspent funds shall be returned and assets transferred as agreed in writing.

Article 9 — Reporting. Any dispute arising under this Agreement shall be settled amicably by negotiation. Failing settlement within sixty days, the dispute shall be referred to arbitration under the rules agreed by the Parties.

Article 10 — Assignment. The Recipient shall keep accurate and systematic accounts and records in respect of the activities for at least seven years after the end of the Agreement.

Annex G — Extract of the CHP grant management manual (general provisions)

1. Audit and review

1.1 Gender and inclusion considerations have been reflected in the design of activities. Sex- and age-disaggregated data is collected for all output indicators. Consultations with community representatives include separate sessions for women and adolescent girls.

1.2 Personal data collected in the course of this engagement is processed only for the purposes stated in the agreement. Beneficiary-level data is not transferred to the file; aggregated figures are used for reporting. Any data-sharing arrangement with a third party requires a separate written protocol.

2. Data protection

2.1 Co-financing commitments of the government are tracked in the co-financing matrix. The matrix is updated annually and shared with the Country Team as part of the annual funding decision process.

2.2 The parties shall cooperate in any audit, review or evaluation of the programme. Auditors shall have access to books, records and personnel, subject to reasonable notice. Findings will be shared with the partner for comment before a report is finalised.

3. Scope and definitions

3.1 The implementation timeline assumes timely customs clearance. Where duty exemption is available, the relevant certificates are requested at the time of order. Delays attributable to clearance are reported in the next progress report.

3.2 Funds are disbursed in tranches linked to the approved cash forecast. The Principal Recipient reconciles advances to sub-implementers quarterly. Unspent balances at the end of the implementation period are handled as set out in the grant confirmation.

4. Asset management

4.1 Security risk management follows the measures approved for the area of operations. Field movements are notified to the security focal point in advance. Activities in locations above the agreed security level are suspended until clearance is renewed.

4.2 Visibility and communication materials shall carry the logos agreed in the communication plan. Draft materials are shared with the communications focal point at least ten working days before printing. The partner shall not use the logo in any fundraising material without prior written consent.

5. Environmental safeguards

5.1 Gender and inclusion considerations have been reflected in the design of activities. Sex- and age-disaggregated data is collected for all output indicators. Consultations with community representatives include separate sessions for women and adolescent girls.

5.2 Staff costs charged to the programme are supported by timesheets approved by the line manager. Shared costs are apportioned on a documented basis that is applied consistently across donors. Changes to the apportionment basis are notified in writing.

6. Record keeping

6.1 Visibility and communication materials shall carry the logos agreed in the communication plan. Draft materials are shared with the communications focal point at least ten working days before printing. The partner shall not use the logo in any fundraising material without prior written consent.

6.2 Environmental considerations are addressed in the implementation plan. Packaging waste from distributions is collected and disposed of through licensed operators where available. Vehicle use is logged and consolidated trips are encouraged to reduce fuel consumption.

7. Communication and visibility

7.1 Programme monitoring combines routine data review, field visits and spot checks. Monitoring visits are planned on a quarterly calendar and reports are filed within two weeks of each visit. Follow-up actions are assigned an

owner and a due date.

7.2 Staff costs charged to the programme are supported by timesheets approved by the line manager. Shared costs are apportioned on a documented basis that is applied consistently across donors. Changes to the apportionment basis are notified in writing.

8. Complaints and feedback

8.1 Lessons from the previous cycle were considered in preparing this file, in particular the need for earlier engagement with district authorities and for clearer delivery schedules. These lessons are reflected in the timeline in the implementation plan.

8.2 The partner shall maintain a fixed asset register for equipment purchased with programme funds. Items above the capitalisation threshold are tagged and verified annually. Disposal or transfer of assets at the end of the programme requires written agreement.

Annex H.1 — Monthly activity report, October 2025

Reporting month: October 2025. This report summarises activities, outputs and issues for the month and is submitted with the monthly data set.

Staff costs charged to the programme are supported by timesheets approved by the line manager. Shared costs are apportioned on a documented basis that is applied consistently across donors. Changes to the apportionment basis are notified in writing.

The Principal Recipient maintains a grant management manual approved by its board. The manual covers finance, procurement, sub-recipient management, monitoring and evaluation, and risk management. Revisions are shared with the Country Team for information.

Personal data collected in the course of this engagement is processed only for the purposes stated in the agreement. Beneficiary-level data is not transferred to the file; aggregated figures are used for reporting. Any data-sharing arrangement with a third party requires a separate written protocol.

Output	Planned	Achieved	Comment
Sessions held	205	157	Road access issues
People reached	258	258	Slight delay
Supervision visits	178	187	Above target
Reports received on time	55	47	Road access issues
Stock reports submitted	201	197	On track
