# START WITH ONE AWARD.

**01 RULE**

Can each criterion open its governing rule?

**02 EVIDENCE**

Can each material supplier claim open its source evidence?

**03 JUDGMENT**

Is each consequential judgment tied to a named reviewer and timestamp?

**04 EXCEPTIONS**

Are clarifications, conflicts and exceptions visible with their dispositions?

Seven questions to locate gaps in the record.

# CAN SOMEONE FOLLOW THE DECISION?

**05 CHRONOLOGY**

Does the record show what changed, who changed it and why?

**06 APPROVAL**

Can the signatory see unresolved issues before approval?

**07 INDEPENDENT REVIEW**

Can a reviewer export a coherent record without relying on personal memory?

A missing link does not by itself establish non-compliance or misconduct.
